

The NAR, in collaboration with LaüncH Crüe, NAR Section #519, St. Louis Rocketry Association (SLRA), NAR Section #551, and Tripoli Mo-Kan, Prefecture #101, invite you to Springfield, Missouri for NARAM-63. The flying field is located west of Springfield on a cattle ranch.

NARAM-63 will feature 7 days of rocket launching beginning Saturday from two different rocket ranges.

The Sport Range will operate all 7 days and can support rockets of all sizes, with motors from 1/8A to M class impulse. NARAM has a 6,000 foot FAA waiver for the entire event.

The Contest Range will feature the US Team Flyoffs/North Coast Cup also beginning on Saturday. Starting on Monday and running through Friday, the Contest Range will feature the NAR National Championships, aka NARAM.

The Oasis Hotel will host nearly all of the evening activities including the Manufacturers Forum, Cannon Auction, NAR Town Hall Meeting, Ice Cream Social, Awards Banquet, and much more!

Your Contest/Event Director for NARAM-63 is Chad Ring.
